## ORDER OF COURT

AND NOW, to wit, this \_\_\_\_\_ day of \_\_\_\_\_, 2005, upon consideration of Plaintiff's Motion to Vacate Default Judgment, it is hereby ORDERED, ADJUDGED AND DECREED that the default judgments entered in this case against Defendant Janine M. Cook on February 25, 2002 and Defendant Allen M. Cook on September 16, 2002 are hereby vacated without prejudice. It is further Ordered that the Clerk is to mark the Default Judgment vacated on the Judgment Index.

BY THE COURT.

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: a control group and an experimental group. The control group received a standard training program, while the experimental group received a training program with a focus on the specific skills required for the task. The subjects were then tested on their performance, and the results were compared between the two groups.
